

Foci reduction neutralization test

TC Tineke Cantaert JVR Jeffrey V. Ravetch HA Heidi Auerswald

Updated date: Jul 19, 2021

 An abbreviated version of this protocol was published in Science in Jun 2021

Antibody fucosylation predicts disease severity in secondary dengue infection

DOI: [10.1126/science.abc7303](https://doi.org/10.1126/science.abc7303)
